

REGISTRATION FOR DEE WHY LIONS RUGBY CLUB

Dear Dee Why Lions Parent/Guardian,

Thank you for choosing to register with our Club for 2017. We are using a new registration system that all clubs throughout Australia are using and have prepared the following to help make the process as smooth as possible. **Before** you sit down to register on line please ensure that you have the following handy:

- Your child's height (cm) and weight (kg)
- A credit or debit card: On line payment requires a credit or debit card (VISA or MASTERCARD)
- Knowledge of your child's birth date and proof of age
- Patience!!!

Please note: it is compulsory for all volunteers (team coaches, managers, 1st Aid officers, AR, trainers etc) to also register under the "non playing" option, you are then covered by insurance.

Get started

Many players/parents may find that the child's details are already in the system as information was transferred to Rugby Link in 2015. (If your child was new to our club last year there will be no information in the system). The system endeavours to avoid duplication of records and applies fuzzy logic to search for your child!

You will have 2 options when you elect to register:

1. As a returning registration (if previously registered prior to 2016)
2. As a new participant (or one that was new last year)

NOTE: THAT YOU REGISTER THE CHILD NOT THE PARENT - USE THE CHILDS NAME IN EACH INSTANCE

Do **not** worry if you have forgotten or don't know the login...it is your email address and you have the option: **"Forgotten Login"**.

If the system identifies your child but you cannot log in call 8005 5600 or rugbylink@rugby.com.au

Those who are new or who are not found in the system choose **"Create a New Account"**.

STEP 2

- **RETURN USER:**

- Enter your login ID and password
- Click "LOG IN"

NOTE: You can login with your email address or ID

Please login

If you're not registering yourself, you'll need access to the participant's account to complete this form. For parents registering a child you will need access to the child's account.

You can only choose 1 "product" per child.

There are certain fields on the Registration Form which are mandatory...e.g. Name, Date of Birth, Height (cm), Weight (kg) etc. Unless these fields are completed you will not be able to proceed with the registration (ARU requirement, not ours).

The next screen after you choose **“Continue”** will either be **blank** (new registrant or if you were new last year) or **pre populated** if your child's details were in the system in 2015 or before. This system relies on an "information dump" from another system and there may be an odd child whose information/record may still not be found even if previously registered prior to last year, don't panic, simply create a new account for them.

STEP 4

- Returning participants' details will pre-populate, while new participants will need to add their personal details

NOTE: Returning players will be unable to edit their name and/ or date of birth

- "Review" your product and personal details

[Review your order](#)

You now can review your "order" and the next step is to accept the Terms and Conditions.
If you do not accept then you cannot proceed.

STEP 5

You then proceed to the payment details screen for this registration. We highly recommend you select submit and pay later. Then contact Lou (Club Registrar) or Chris Hegarty (Club President) on 99848089 and have your credit card ready to pay, or we accept internet bank transfers or complete the credit card authorisation on the sheet and email it to lou@ooshnb.com.au.

STEP 6 (If required for more children)

To register another child choose: **"Purchase product for another participant"** **"Register a new Family Member"**.

CREATE A NEW RECORD FOR THIS SUBSEQUENT CHILD SO THAT FAMILY RELATIONSHIPS CAN BE CREATED. IF YOU USE AN OLD RECORD YOU MAY NOT RECEIVE THE FAMILY DISCOUNT IF OFFERED BY YOUR CLUB.

You then repeat the process of payment for this child.

- To register another family member, click "Purchase product for another participant"
- You will be taken back to the participant selection page, "Select who is being registered"
- Click "Continue" and repeat the steps above

There are multiple participant records associated with this account.

Please identify who is completing the form.

In 2016 the SJRU moved away from the old registration system (Buddha), which was on it's last legs, to a new system (MyRugby). However the new system did not live up to expectations and the incoming SJRU Committee, correctly so, made a decision to once again change the registration system after only 1 year, to RugbyLink. While adding to the work load of registrar's again, this new system is the same system used by the Wallabies, so you would expect it to be around for a while!!! The year, player and volunteer information from around Australia will be captured and moving forward the annual registration process should be straight forward and smooth.

your registration fee and the cost to put a player on the field

Your registration fee includes a team photo, trophy, all insurances, affiliation fees to the ARU, NSWRU, SJRU, WJRU & Northern Beaches Council floodlight, ground hire and individual player levy. For a junior player, this adds up to approx \$130 per player and the remaining \$40 from your junior registration fee goes towards the cost shorts, socks and jersey (approx. \$90 per player) footballs, training gear, 1st aid, general costs, some ground maintenance, small repairs, accreditation/training courses for individuals etc etc. If you do the math, the Club subsidises the cost of putting a player on the field and therefore we do ask for (in return) assistance in running the canteen to raise much needed funds. The remaining shortfall is made up from our very generous sponsors, and therefore we request that if possible could you support our sponsors as well.
